Every year volunteers from 'Dartmouth Green Partnerships' work hard to design, create and plant the wonderful (and Gold Award Winning) seasonal displays throughout the town. Over 120 hanging baskets, numerous boats, planters, troughs and other features, are all planted by volunteers to ensure the Town is inviting to visitors and attractive to residents and businesses alike.

The value of these seasonal floral displays to Dartmouth is immeasurable - without them, the town would be a sadder place.

To ensure that we can continue our work to maintain the excellent floral standard we set, D.G.P. needs your help.

PLEASE HELP US

Any amount you feel able to donate towards next year's floral displays will be appreciated.

However If you wish to sponsor -

£50 will pay for the planting and watering of a hanging basket

£75 will pay for a pair of hanging baskets or a trough

£150 will pay for a boat or large planter

All sponsorship will be recognised by appropriate plaques

**Cheques payable to 'Dartmouth Green Partnerships' please
or visit our website www.dartmouthgreenpartnerships.org.uk to donate online**
